Doggie Daycare Application & Agreement

Our goal here at Village Sentry Pet Care is to achieve an ideal environment for your dog(s) to safely play and socialize. In order to successfully obtain our goal we must carefully evaluate and screen all dogs as they try to join our daycare family. This screening process is our way to ensure a comfortable and happy place for your dog(s) to exercise and make friends during the week.

Please e-mail completed daycare applications to us or drop it off at the office. We will call you within a week to set up a trial and give you the portal sign on information if we have availability for the group we think your dog will fit best in!
